

## R4 Juniors meet their environmental hero!

29<sup>th</sup> July 2009 was an exciting day for all the younger members of R4 Limited. Cbeebies favourite eco guru Jelly visited the Discovery Centre at nearby Lough Neagh Discovery Centre for a fun day discussing environmental issues and all round fun including pond dipping and bird watching, oh and of course some face painting.

Well you don't think we stay in the office all the time do you?
